Sit back, work or relax with Connex modular lounge seating and table series.

- Modular lounge chairs, 2 and 3 seat sofas, ottomans, benches and tables create comfortable lounge areas.
- Sofas and benches can be connected together to create endless rows of seating.
- Environmentally friendly construction: CFC-free fire retardant HR foam, recycled content, low V.O.C. and formaldehyde free.
- In-line and corner connecting tables can be added between seating units.
- When additional workspace is required a freestanding pull-up desk is available.
- Durable glides provide floor protection.
