bene – Austria

A high performance modular lounge seating and table series.

- Modular system of curved and straight single seat units, sofas, benches and tables create comfortable, flowing lounge and waiting areas.
- Structure built for high traffic areas.
- Units can be connected together to create endless rows of seats.
- Inline and corner connecting tables can be added between seating units.
- End tables connect to seating units.
- A freestanding pull-up desk is available.
- Durable glides provide floor protection.

Options

- Connecting leg – connects two units and removes a leg
- Units may be fixed to floor.

Finishes

- Leg and Arm Finish
 - Powder coat – Cloud silver
 - Chrome
- Tabletop finish
 - Standard Arconas laminates
- Table edge
 - Baltic birch plywood edge
 - Clear
 - Black
