

AODA Feedback Process

The ultimate goal of Arconas is to meet and exceed expectations of people with disabilities.

Arconas invites and encourages feedback from individuals with disabilities (including customers, employees, and the public) about how we are meeting and supporting accessibility in our workplace, the delivery of our services and our customer service.

Please provide us with your inquiries, comments and suggestions. Arconas is constantly striving to remove barriers and improve upon our accessibility; your feedback is always appreciated.

Individuals who wish to provide feedback are encouraged to do so by one of the following ways:
